K.R. Srinivasa Iyengar, Esq.,

Member of Council to the Govt. of Mysore,

Camp, Mysore.

Through the Principal,

Maharaja's Sanskrit College, Mysore.

Sir,

I beg to state that I have written some works in Sanskrit such as Manameya-rahasya-slokavartika in which the main principles of the various Indian Philosophical works, are explained and elucidated. If I publish these works in the Devanagari Character, I am confident that they will be appreciated by scholars interested in the subject and will be useful in many Sanskrit Institutions. But in this city there is no good Devanagari Press except the Government Branch Press. I have also no means of meeting the whole cost of printing these works. If I print them in a place outside Mysore, I cannot personally attend to the correcting of proofs Etc., and so the work cannot be done satisfactorily.

I therefore request you to be so kind as to order the printing of these works in the Government Branch Press without prejudice to the other Government works on hand. My works in all may amount to about 250-300 pages. I shall pay the cost of paper and binding materials if only the work of printing and binding are done at the Govt. Branch Press free of costs. If even this concession cannot be shown to me, I am willing to bear the whole cost.

I shall be much obliged if you will kindly pass early orders in the matter.

I beg to remain,

Sir,

Your most obedient servant,

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Abstract of the petition and Statement

This work is the result of the study of the Sastras for a long time. The motive for undertaking the work is nothing but a desire to do public good and to acquire a reputation. Though it is desirable that the publication of such a work should be patronised by Government by way of lending it, I have in consideration of my authorship agreed to bear half the cost of publication and this inspite of my inability to do so.

I pray once again that Govt., may kindly bear the printing charges for the work to be printed.
